

## 小学校の運動会

去年は運動会はなかったのですが、  
今年は工業団地の体育館で行われました。

楽しい昼食は、  
子どもは子どもたちで食べ、  
私たちは車の中で食べました。

来年は、6年生で最後なので、  
いつも通りの運動会ができればなあ。

## Field Day

Last year the elementary school didn't have a field day. We had one this year, but we had to have it indoors, in the gym at the industrial complex.

The highlight of field day is always the lunch, but this year, we had to eat separately. The children all ate together in the gym, and the adults ate in their cars.

Next year is my grandson's last year in elementary school, so I really wish we could have a normal field day.
